

Equality NW is an autonomous group linked to The Equality Trust

We campaign:

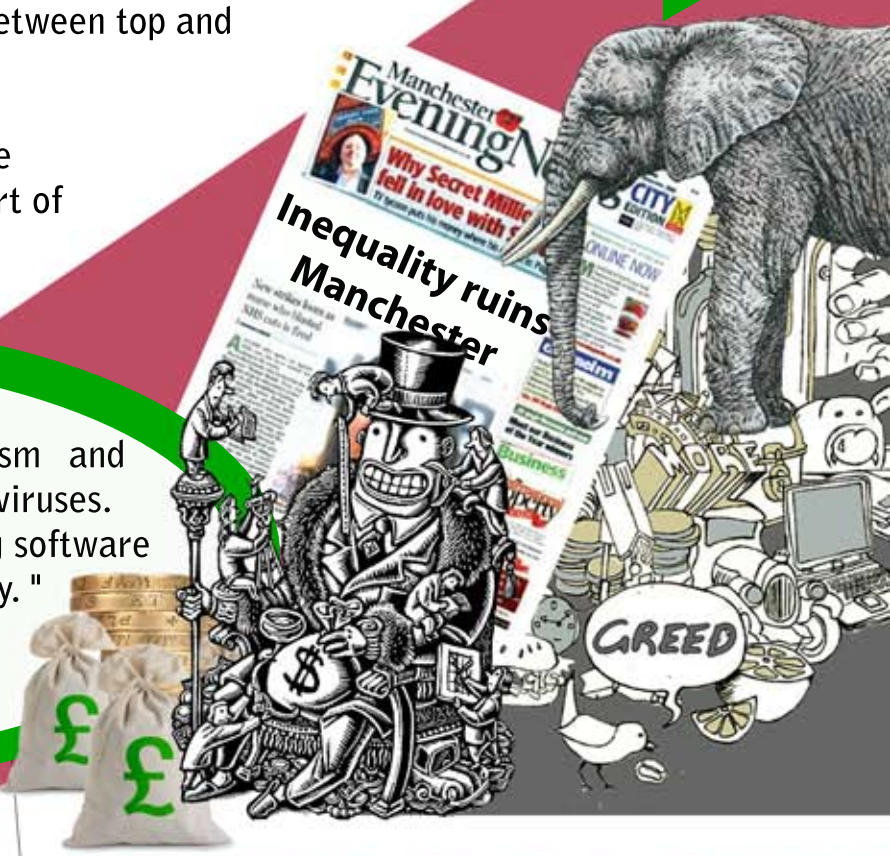

- = to increase understanding of the extent of income inequality and the harm caused by inequality
- = for a fairness test to measure the impact of policies on inequality
- = on wage ratio issues, to reduce the gap between top and bottom pay

Come along to this meeting to find out more about inequality and what you can do as part of this growing movement

For more info & to register for this free event go to <http://injustice.eventbrite.com>

"Beliefs which serve privilege, elitism and inequality, infect our minds like computer viruses. But now Dorling provides the brain-cleaning software we need to begin creating a happier society."

Richard Wilkinson, 'Spirit Level' author

INJUSTICE, INEQUALITY & THE CUTS

why social inequality persists

A public meeting organised by

Tuesday 5th April 2011
