

YOUR MEADOWS NEED YOU!

PROTEST PICNIC: SUNDAY 8th NOVEMBER 2-3pm

It's getting close to the day of reckoning for Chorlton's Hardy Farm Meadows. If you didn't already know, there is a large football complex planned for the area, bringing with it 7 pitches, 50 ft high floodlights, noise and light pollution, and destruction of trees and wildlife. We'd like to invite all users of the Meadows to bring your dog, kite, bike, dare I say it football, to the Hardy Farm Meadows on **Sunday 8th November at 2pm**. Lets show these developers how much this area matters to us as a community! **PLEASE COME ALONG, RAIN OR SHINE!** Bring your uncles, aunts, sisters, brothers, lovers, wollies and broties! Seriously **WE NEED PEOPLE POWER!** More information at...
