

Cuts Café

27th December

Come get your free tea, coffee and food and help
to fund open spaces, countryside and country events.

There will be a range of topics, all available,
discussed and action planning in the current planning
agenda for those governments who can take the
protection of public and rural services.

There will be discussion on education and the role
of the environment, security and the housing, what
can be done...

For more updates visit
